KOKAN TRAVEL MART
KOKAN INDUSTRIES EXPO
KOKAN FISHTECH EXPO
KOKAN AGRITECH EXPO

Global Kokan Festival, Organized by Kokan Bhumi Pratishthan, provide a global platform for natural beauty, tourism, industries, agriculture, horticulture, arts, culture and cuisine from Kokan. The Festival has created a history as it has been identified as the largest Festival held at Mumbai with more than 4 lakh people, tourists and Kokan lovers visiting the event every year. Various Departments from the Central and State Governments such as Agriculture, Fisheries, Ports, Non-conventional energy sources and others participate at this Festival. Eminent personalities from politics, industries, literature, arts, films and others make it a point to be at the Festival every year.

Every year the Festival is organized with increasing grandeur and Kokan is being showcased at a global scale in a real manner. Business groups from Maharashtra, in a field of Tourism, Real Estate, Infrastructure and industry also make it a point not to miss the opportunity of exposure at this large scale. The many attractions that bring people to this festival can be summarized as Kokan Food Festival, Kokan Folk Arts Festival, Kokan Art Festival by artists, Exclusive 3D Photo exhibition depicting excellent Tourist destinations at Kokan.

No matter how big an economy Kokan becomes, you can never take its natural beauty away from it. It will always be the green, lush & blessed land as it is now & be on a tourist's wish list. Thus to bring the Kokan tourism into the glare of publicity, Kokan Travel mart is an integral part of Global Kokan. It will see the participation of various tour companies, operators & other noted names from the tourism industry in Maharashtra. Information on hospitality services, destinations, travel & stay options & facilities will be provided in this travel mart.

fastest growing economic region - Kokan **ADVANTAGE KOKAN**

Kokan is by far the fastest growing area of the country. During the ensuing 5-10 years a number of world class facilities are going to be established at Kokan. As a result this will bring a huge investment to Kokan. Global investors are getting attracted to Kokan for various sectors such as Tourism, basic infrastructure, real estate, urban development, tourism parks, port development, industries based on ports, fisheries and others. We are creating this huge Advantage Kokan Hall so that industrialists from Kokan as well as the entire country and interested investors can receive up to date information on the facilities that are arriving at Kokan.

KOKAN GAURAV UDYOJAK PAVILION

A number of Marathi industrialists have carried Marathi entrepreneurship flag all over the world. The industrial conglomerates developed through the untiring efforts of many generations as well as the new industrial houses created by youth from a fresh and enthusiastic generation within last couple of decades are all being brought up in an EXPO format here (**KOKAN GAURAV UDYOJAK PAVILION**) on a huge scale. In order that the immense success stories created by you all along with the marketing and publicity of your products are placed on a pedestal of grandeur and brought to millions of visitors.

REVIEWS & BYTES

HON. UDDHAVJI THACKERAY
CHIEF MINISTER - MAHARASHTRA

"Kokan has an outstanding form of nature's richness in this festival. Tourism, products, food culture and folk art in Kokan can be seen as well. We are committed to the best cooperation for the overall development of Kokan."

HON. SHARADCHANDRAJI PAWAR
FORMER UNION MINISTER

"It is heartwarming to see that I was able to stay on a good program. You're all working great. The enthusiasm should be maintained that everyone is trying to get together for the development of Kokan. And if you can do this work in Kokan today, it will give very big boost to Maharashtra's economy."

HON. DEVENDRAJI FADNAVIS
FORMER CHIEF MINISTER - MAHARASHTRA

"People of Kokan region have done a lot of work in their field & I believe that kokan cannot be left behind if all the people decide to come together for the development of kokan. The state government will also fully stand behind for the development of Kokan. For the development of tourism in Kokan, You must do whatever you have been requested through the Global Kokan Festival."

HON. NITINJI GADKARI
UNION MINISTER-ROAD TRANSPORT & HIGHWAYS

"I sincerely Congratulate & thank all of you for organizing this event by keeping aside the politics on the occasion of Global Kokan Festival. I think that if we start implementing right policies, people will go from Mumbai to Kokan instead of Kokan to Mumbai. Enriched kokan will be created. Thousands of youth will get employment & Kokan will be considered as a great tourist destination on the world map."

HON. SURESHJI PRABHU
FORMER UNION MINISTER

"I would like to thank the GKF Organizers for presenting the concept of Global Kokan. Through the medium of Make in Kokan we got to see goods that has been produced while developing the Kokan, we have to look into how to preserve the status of Kokan. We are soon starting a tourism related organization in Kokan."

HON. AJITDADA PAWAR
FORMER DEPUTY CHIEF MINISTER - MAHARASHTRA

"Considering the vast coastal landscape of Kokan and the nesting beauty on the corners, we have a great opportunity for tourism here and we should change our mentality towards Kokan area and to look at its tourism, and I am happy to announce that for development of Kokan tourism I am sanctioning Rs 50 cr. in the upcoming budget. Kokan Bhumi Pratishthan should coordinate all development work for Kokan."

HON. SUBHASHJI DESAI
MINISTER - MAHARASHTRA

"Thank you Global Kokan, the potential for development of Kokan is that effective production of Kokan products should be made. This fascination should be used to preserve Kokan's prosperity by promoting nature and developing it. India is now emerging as a great power in Contributions of the state's development."

HON. EKNATH SHINDE
MINISTER - MAHARASHTRA

"Through the Global Kokan Festival, a resolution has been taken to bring Kokan to the map of the world in the field of tourism and the path has begun. There is a need to work together by giving a lot of support to the organization."

HON. NANA PATEKAR
ACTOR

"The Global Kokan Festival is a hub for Kokan settlers today. People from all walks of life in Kokan are present under one umbrella that we can see today. I am publishing a book soon after playing a warm and intimate role in my hometown of Konan. Through the interaction of each other, we are excited to keep the Kokan land with the golden letters on the global map."
